Jeff,

As I indicated in my voice mail message, I am forwarding you a drafting request for an addition to the 2009-11 State Building Program.

Please let me know if you have any questions.

Subject: State Building Program Addition Draft

We have been asked to request a bill draft making an addition to the 2009-11 State Building Program. The specifics are:

- Enumerate \$20 million to provide a grant to the Marshfield Clinic to construct a Rural Dental Education Outreach Facility in Marshfield;
- The project funding would be \$20 million (\$10 million GFSB and \$10 million gifts, grants and other receipts);
- The project would construct a facility to house programs and staff that would expand access to dental education with a particular emphasis on increasing dental care in rural and underserved areas of the State;
- The Building Commission could not approve release of the State funding unless the Clinic raised \$10 million in non-state funds to support the construction project;
- The enumeration would sunset if the funding was not released by the Building Commission by June 30, 2015;
- In other respects, the draft would be similar to other non-state projects included in the 2009-11 State Building Program.

I can be reached at 266-5565 or peter.maternowski@wisconsin.gov if you need any additional information.

Thank you for your assistance.

2009 BILL

gen. cat

- 1 AN ACT ...; **relating to:** construction of a rural dental education outreach facility
2 in Marshfield, an addition to the 2009-11 Authorized State Building Program,
3 and granting bonding authority.

and making an appropriation

Analysis by the Legislative Reference Bureau

This bill authorizes up to \$10,000,000 in general fund supported borrowing to make a grant to the Marshfield Clinic to aid in the construction of a rural dental education outreach facility in Marshfield. Under the bill, the Building Commission ← must authorize the project before July 1, 2015, and the Marshfield Clinic must secure matching funding of at least \$10,000,000 in nonstate funds.

The bill also amends the 2009-11 Authorized State Building Program to add one nonstate project for the Marshfield Clinic to construct a rural dental education outreach facility in Marshfield. The project is financed with \$10,000,000 in new general fund supported borrowing and \$10,000,000 in gifts, grants, and other receipts. Under the bill, if the Building Commission does not authorize public debt to be contracted to finance the project by June 30, 2015, the project is deauthorized.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

BILL**SECTION 1**

^

1 **SECTION 1.** 13.48 (39h) of the statutes is created to read:

2 13.48 (39h) MARSHFIELD CLINIC. (a) The legislature finds and determines that
3 expanding access to dental education, especially for the provision of dental care in
4 rural and underserved areas of Wisconsin, greatly benefits state residents and is
5 essential for preserving public health in Wisconsin. It is therefore in the public
6 interest, and it is the public policy of this state, to assist the Marshfield Clinic in the
7 construction of a rural dental education outreach facility in Marshfield. ✓

8 (b) Before July 1, 2015, the building commission may authorize up to
9 \$10,000,000 in general fund supported borrowing to aid in the construction of a rural
10 dental education outreach facility in Marshfield. The state funding commitment
11 shall be in the form of a grant to the Marshfield Clinic. Before approving any state
12 funding commitment under this paragraph, ✓ the building commission shall
13 determine that the Marshfield Clinic has secured at least \$10,000,000 in additional
14 funding from nonstate donations for the project. ✓

15 (c) If the building commission authorizes a grant to the Marshfield Clinic under
16 par. (b) ✓ and if, for any reason, the facility that is constructed with funds from the
17 grant is not used as a rural dental education outreach facility, the state shall retain
18 an ownership interest in the facility equal to the amount of the state's grant. ✓

19 **SECTION 2.** 20.866 (1) (u) of the statutes, as affected by 2009 Wisconsin Act 28,

Jeff,

The draft looks good. I have one minor edit

Could we replace "donations" with "sources" on page 2 line 14? Using sources would allow the clinic to finance a portion of the building whereas donations implies that they would need to raise gifts.

1 AN ACT ~~to amend~~ 20.866 (1) (u); **to create** 13.48 (39h), 20.866 (2) (zck) and 20.867
2 (3) (bi) of the statutes; and **to affect** 2009 Wisconsin Act 28, section 9106 (1)
3 (qm) and (27); **relating to:** construction of a rural dental education outreach
4 facility in Marshfield, an addition to the 2009-11 Authorized State Building
5 Program, granting bonding authority, and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill authorizes up to \$10,000,000 in general fund supported borrowing to make a grant to the Marshfield Clinic to aid in the construction of a rural dental education outreach facility in Marshfield. Under the bill, the Building Commission must authorize the project before July 1, 2015, and the Marshfield Clinic must secure matching funding of at least \$10,000,000 in nonstate funds.

The bill also amends the 2009-11 Authorized State Building Program to add one nonstate project for the Marshfield Clinic to construct a rural dental education outreach facility in Marshfield. The project is financed with \$10,000,000 in new general fund supported borrowing and \$10,000,000 in gifts, grants, and other receipts. Under the bill, if the Building Commission does not authorize public debt to be contracted to finance the project by June 30, 2015, the project is deauthorized.

BILL
